Antigonus II (MATTATHIAS)

40 BC

Antony's wife Fulvia, raised  
and led an army against Octavius;  
And Antony had to leave Alexandria in  
40BC to restore his relations with the  
triumvirs. In 40 BC Antony &  
Cleopatra's twins; Alexander Helios &  
Cleopatra Selene were born.

Antony & Octavian were compelled by their own soldiers to make a treaty of peace. It was signed at Brundisium, and was the means of postponing the final struggle between the two chief triumvirs.

Herod the Great is recognized  
by the Roman Senate as a dependent  
King of the Jews

40BC

The Romans appointed Herod the Great King of Judea.

Oct. 40 BC

The victors of Philippi (The Triumvirate) reached a new agreement by which the Roman Empire was divided between them. Antony took East; Octavian the West, and besides (no longer an equal partner) the province of Africa. To seal the pact, Antony married Octavian's sister. Octavian as a result of Caesar's deification could call

red & blue, brown

408C

At about the time Antony arrived  
in Rome, his wife Fulvia  
did and peace was restored between  
Octavian and Antony.

Antony married Octavian's  
sister Octavia. She became Antony's  
devoted partisans.

40 BC

Troubles arose for <sup>Phasael</sup> Phasael & Herod. When Parthians arrived in Syria they joined with Antigonus (the son of Hyrcanus II's deposed brother Aristobulus II) to depose HYRCANUS II. The Parthians besieged Jerusalem and sued for peace. They went to meet the Parthian king who put them in chains (HYRCANUS II & PHASAEL in chains) on hearing of this treachery, Herod, his family & his troops moved to MASADA, then to PETRA

DURANT

While Antony frolicked in Alexandria, his wife FULVIA and his brother LUCIUS plotted to overthrow Octavian's power in Rome. The Senate was a rump of adventurers and generals, labor was restless with unemployment, the populares were disorganized. SEXTUS POMPEY was blocking the import of food. Business was petrified with fear; taxation and spiraling inflation had ruined nearly every farmer and many men were living in a reckless and sexual riot on

The author had written this in 1872, in  
the early summer of the same year, in  
expectation, I suppose, of some  
success, and it was published in  
the "Quarterly Review" in October  
of that year. It is a short article,  
but it contains a good deal of  
information, and it is well worth  
reading. The author's name is  
not given, but it is likely that  
he is the same person who wrote  
the article in the "Quarterly Review".

40BC

DURANT

Private libraries were now numerous; and about 40 BC. ASINIUS POLLIO made his great collection the first public library in Rome. Caesar had planned a still larger one, and made Varrus its director, but this, like many of his ideas, waited upon Augustus for its fulfillment.
